Local Response to Emergency Order #1

Governor Evers issued [Emergency Order #1](#), which requires face coverings in specified situations, effective on Saturday, August 1, 2020 at 12:01 am.

Clark County officials have collaboratively developed an efficient way for citizens to report their concerns about violations of the face covering order.

To report a concern, please visit the online reporting platform found at this [link](#), or visit the Clark County website at: <https://www.clarkcountywi.com/>.

If there is an immediate threat to safety such as an altercation or disturbance, please contact law enforcement directly, instead of reporting the concern on the online reporting platform.
